1. E advised E that Juris SPADE, one of his most able specialists in the exploitation and interpretation of Soviet military documents, is applying for a U.S. immigration visa in order to join his wife and family now living at 7 West High Street, Phoenixville, Pennsylvania, since 1951.
2. Both E and E give SPADE an unqualified recommendation, and suggest that we may desire to utilize his services.
3. E has brought this matter to our attention for three reasons:
 - a. He has persuaded SPADE to remain with E much longer than he intended, since he is invaluable and irreplaceable. For this reason, E feels a moral obligation to do anything he can to help him resettle in the U.S.
 - b. E sincerely believes that he can be of great service to KUBARK due to his unique qualifications and experience.
 - c. E foresaw the possibility that SPADE might have been recruited by our service in the U.S., and upon discovering that he had worked for E we would have understandably suspected an attempted penetration and thus would have jeopardized his position.
